

The Michigan Republican Party,  
**WITH YOUR HELP**, will be making phone calls  
to Michigan registered voters leading up to and  
including Election Day on November 8th.

Preferably the calls should be made from  
a laptop computer with internet access.

A username and password will be required to  
get access to run the application. Contact  
Jacob Smith at (517-599-5020) and give him your  
name, cell number, and email address. He will  
assign you a username and password to access  
the Campaign Sidekick application.

The application is self explanatory. Just make  
sure to familiarize yourself with how it works  
before you begin making calls.

**THANKS FOR YOUR HELP!**
